

The HKIE Fire Division 16th Annual Symposium 2025

Date: 13 May 2025 (Tuesday)

Time: 9:30am – 5:30pm (Full Day Session)

Venue: Meeting Room S421, Hong Kong Convention and Exhibition Centre,
1 Expo Drive, Wanchai, Hong Kong

Theme: “Global Innovations in Fire Safety: Collaborating for Excellence”

Programme Highlight

The theme this year of "Global Innovations in Fire Safety: Collaborating for Excellence" highlights the essential interplay between fire engineering practices, technological innovation, and governance and the critical role they play in ensuring fire safety and prevention. This theme encompasses the regulatory framework, technological advancements, and ethical considerations that are essential in the field of fire engineering.

Our speakers from Hong Kong, Mainland China and overseas will share with audiences their research updates and valuable experiences to address various hot issues and challenges encountered for fire safety. Ms. Lillian CHEONG Man-lei, JP, Under Secy for Innovation, Technology and Industry, has kindly consented to be the Guest of Honour for the Symposium to deliver an opening speech.

Speakers and Presentation Topics *(subject to change without prior notice)*

Speaker	Organization	Topic
Prof MA Jian <i>Professor</i>	Southwest Jiaotong University	Generative Evaluation of Fire Evacuation Situation Immediately with What You See
Prof YEOH Guan <i>Professor</i>	University of New South Wales	Advanced Fire Protection Technologies and Innovative R&Ds
Dr HUANG Xinyan <i>Associate Professor</i>	The Hong Kong Polytechnic University	Smart Firefighting: Progress and Perspectives
Ir IP Anny <i>Associate Director</i>	Arup Hong Kong Limited	Fire Safety Design Challenges and Solutions of Large Stadium
Mr WONG Tak-fai <i>Assistant Divisional Officer (Operational Support)</i>	Fire Services Department	Striving for Professionalism and Continuous Improvement – A revolutionary technological approach in Mountain Search and Rescue Operations
Mr YUE Lawsons <i>Chief Building Surveyor/NTE1&L</i>	Buildings Department	BIM for Fire Safety: Automating the FS Code - Challenges and Breakthroughs

Speaker	Organization	Topic
Ir Dr YUE Tsz-kit <i>Divisional Officer (Fire Protection Engineering Compliance)</i>	Fire Services Department	One-stop Coordination Office for New Fire Protection Facilities Acceptance & Fire Protection Facilities Acceptance Inspections at Kai Tak Sport Park (KTSP)
Dr YUEN Anthony Chun-yin <i>Assistant Professor (Presidential Young Scholar)</i>	The Hong Kong Polytechnic University	Advanced Technologies in Fire Modelling

Admission Package

The HKIE Fire Division 16th Annual Symposium will be held in physical format.

CPD certificate (6 hours) will be issued to those attending full day session at the end of Symposium.

	HKIE members	Non-members	Full Time Student
<i>Lunch</i>	<i>Full Day Session Including Lunch</i>		<i>NO Lunch is included</i>
Early-Bird <i>on or before 13 April 2025</i>	HKD \$1,400	HKD \$1,500	HK\$100
Standard <i>14 April to 9 May 2025</i>	HKD \$1,600	HKD \$1,700	

Enrollment

Please click the below link for registration:

<https://forms.gle/KhpG1hmnW95L4MMt6>

a) Enrollment is available on a first-come, first-served basis, due to the limited number of seats. Please settle the payment by:

i) **Cheque**

Crossed cheque made payable to “The Hong Kong Institution of Engineers – Fire Division” or “香港工程師學會 – 消防分部”

Please send it to Ming Focus Limited (Event Secretariat) Room 1411, 14/F, CC Wu Building, 302-8 Hennessy Road, Wanchai, Hong Kong

ii) **Bank Transfer**

Bank: The Hongkong and Shanghai Banking Corporation Limited

Account: The Hong Kong Institution of Engineers – Fire Division

Account Number: 808-512420-292

Please send the deposit receipt to hkie.symposium@mingfocus.com as record of payment

b) There will be no refund after payment is received.

Enquiries

For enquiries, please contact Ming Focus Limited (Event Secretariat) at 3101 9108 /
